Thank you everyone who donated beautiful items & art pieces for the fundraiser for Dawson Abel (age 20) and his mom (to stay by him in the hospital). Dawson inhaled a rare fungi in Arizona and it caused an infection and a hole in his lung, which caused a blood clot that lead to a stroke on February 21, 2024. His mom, Andrea Wargi has been by his side since he has been in a coma. He is beginning to wake, but will need extensive rehabilitation. We appreciate the outpouring of help with setting up, before, during & after the fundraiser by the members of the Ketchikan Moose Lodge. Jimbo, Amber, Regina, Pam and Trish.

Our heartfelt appreciation to those who donated:
