COMMANDING VISTAS

LOT 24, MEYERS CHUCK

Situated on a hill with stunning views of Meyers Chuck Harbor, this unique home boasts both commanding vistas and optimal exposure. The spacious residence is ideally configured for both short stays and extended living. Covering approximately 1,500 sq ft, it features two bedrooms, one bathroom, an open-plan living and kitchen area, a pantry, a loft, and vaulted ceilings. Offered turnkey, the home comes fully furnished. There are additional structures on site, formerly used as a generator shed, additional bedroom and greenhouse, all of which require repairs. Outdoor amenities include raised garden beds and a deluxe chicken coop. Although the dock has been removed and the exterior stairs are in need of some repairs, the home's charm is enhanced by its location, accessible only by boat or plane. Meyers Chuck, originally established as a fishing community around the turn of the last century, is prized for its superb harbor, one of the finest anchorages between Ketchikan and Wrangell, complete with a community dock.

INFINITE POSSIBILITIES

5619-5639 NORTH TONGASS

Rare large tract of Ketchikan patented tidelands property with infinite possibilities. West facing property with excellent sunlight throughout the day and phenomenal sunsets at night. This property would lend itself to the development of high-end condominiums with the possibility of boat moorage for discerning buyers searching for sunset views and a place to moor their yacht. Property could as easily be developed into a commercial fishing lodge with room to moor boats right in front of the property. Additional tide land lease is available through Alaska DNR. With over 500 lineal feet of beach frontage there is no other property in this market that offers this kind of potential.
