OCTOBER IS YOUTH MONTH AT TONGASS FCU! MINE YOUR SAVINGS CRAFT YOUR WORLD

THIS OCTOBER, TONGASS FCU IS CELEBRATING YOUTH MONTH—A MONTH OF FUN CONTESTS AND ACTIVITIES THAT GET KIDS EXCITED ABOUT SAVING.

 Kids can take on the SAVINGS QUEST, enter the BUILD CONTEST or the COLORING CONTEST, and win prizes—whether they're already a member or not.

 WHY? Because starting good saving habits early builds independence, smarter choices, and stronger communities for tomorrow.

 Plus, our staff will be hosting financial education sessions all month long to support kids and families.

Happening at all locations, including Ketchikan, Metlakatla, Thorne Bay, Klawock, & Hydaburg.

REAL ESTATE: A PROVEN PATH TO WEALTH

When it comes to building lasting wealth, few investments have stood the test of time like real estate. Unlike stocks or other markets that can swing wildly from week to week, real estate provides stability, steady appreciation, and the comfort of a tangible asset you can actually live in.

Even with today's ups and downs, history shows that homeownership remains one of the strongest ways to grow your financial future. Over the past decade, Ketchikan home values have risen more than 50% — and homeowners who stayed the course not only built equity, but also created security for their families.

Whether you're buying your first home, moving up, or investing in property, think of real estate as a long game. Markets shift, interest rates change, but the long-term payoff continues to reward those who invest in a place of their own. At Legacy Real Estate, we're here to help you make smart choices today that lead to wealth tomorrow.

Let's help you get started!
