WELCOME TO CALLIE'S CORNER BOOK NOOK!

Do you like to read? I do too! Since I read roughly a book a week (more or less) I thought I'd share what I read and share how I feel about it. No long reviews, just a nifty Star Rating system:

Deserves an Ex Libris!

Delicious, not nutritious.

"If I don't survive, tell my wife, hello."
—Neutral President

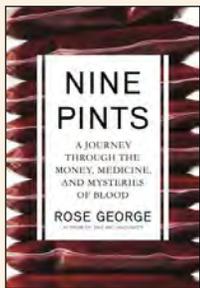

I can see why people like it. I'm just not people.

My goodness. This was awful.

This week I read:

Nine Pints by Rose George.

*This is all in good fun, so please share what you're reading on our social media accounts!

GOD IS ABLE to do exceedingly abundantly beyond all we can ask or think according to His mighty power working in us. (3/4)

Life is simpler when you're nonchalant. The moment you start chalking everything goes sideways.

INVENTORY IS QUIETLY TIGHTENING

As we move toward spring, one thing is clear: Quality inventory is limited, and well-priced homes aren't sitting long.

- *Move-in ready mid-range homes are drawing strong attention.*
- *Buyers are watching rates — but they're still active.*
- *Sellers who price strategically are negotiating from strength.*

FOR SELLERS: Low inventory means fewer competing options. Leverage exists — if your home is priced correctly from day one. Overpricing doesn't create room to negotiate. It creates stagnation.

FOR BUYERS: Limited inventory doesn't eliminate opportunity — it rewards preparation. Buyers who are pre-approved, informed, and decisive are still securing solid properties.

At Legacy Real Estate, we help buyers recognize opportunity when it appears — and take advantage of it. For more tips on buying or selling your home, contact your real estate experts at Legacy Real Estate.
