WELCOME TO CALLIE'S CORNER BOOK NOOK!

Do you like to read? Callie does too! Since I read roughly a book a week (more or less) I thought I'd share what I'm reading, and when I'm done I'll share how I feel about it. No long reviews, just a nifty Star Rating system:

Deserves an Ex Libris!

Delicious, not nutritious.

"If I don't survive, tell my wife, hello."
—Neutral President

I can see why people like it. I'm just not people.

My goodness. This was awful.

Read this week:

The Land in Winter by Andrew Miller.

This is all in good fun, so please share what you're reading on our social media accounts!

MARKET MINUTE

Brought to you by Legacy Real Estate - Dinah Pearson, Broker/Owner

MARKET SHIFTS = OPPORTUNITY OPENING

Buyers are seeing more choices than we've had in months, and that means less pressure than the peak frenzy. At the same time, strong properties are still commanding attention and moving quickly. For sellers, this is your moment to stand out. With the right pricing and presentation, homes are still selling—and often faster than expected.

The key right now? Strategy. Real estate isn't just about timing the market—it's about positioning yourself in it.

Connect with Legacy Real Estate to make your next move count.

Local Expertise, Proven Experience.
