WELCOME TO CALLIE'S CORNER BOOK NOOK!

Do you like to read? I do too! Since I read roughly a book a week (more or less) I thought I'd share what I'm reading, and when I'm done I'll share how I feel about it. No long reviews, just a nifty Star Rating system:

Deserves an Ex Libris!

Delicious,
not nutritious.

"If I don't survive,
tell my wife, hello."
—Neutral President

I can see why
people like it.
I'm just not people.

My goodness.
This was awful.

Read this week:

*London Falling by
Patrick Radden Keefe.*

*This is all in good fun, so
please share what you're
reading on our social media
accounts!*

There is a word in ancient Greek (kăkoéthēs) that means "bad at summer" or "unfit for summer" and it pleases me to know this feeling has been going on for thousands of years for I, too, am bad at summer.

MARKET MINUTE

Brought to you by Legacy Real Estate - Dinah Pearson, Broker/Owner

YOU DON'T NEED TO TIME THE MARKET

You just need to know when the time is right for you. There will always be reasons to wait. For prices to change. For rates to move. For more homes to come on the market. For the "perfect" time to buy or sell. But real estate has never been just about market conditions. It's about life. Maybe your family needs more room. Maybe the house has become more than you want to maintain. Maybe you're ready to stop renting, relocate, downsize—or simply make a change. Rather than trying to predict what the market will do next, start by understanding where it is today and what your options look like. When the time is right for you, Legacy Real Estate is here to help you make your next move with confidence.

Legacy Real Estate Local Expertise. Proven Experience.
