WELCOME TO CALLIE'S CORNER BOOK NOOK!

Do you like to read? I do too! Since I read roughly a book a week (more or less) I thought I'd share what I'm reading, and when I'm done I'll share how I feel about it. No long reviews, just a nifty Star Rating system:

Deserves an Ex Libris!

Delicious, not nutritious.

"If I don't survive, tell my wife, hello."
—Neutral President

I can see why people like it. I'm just not people.

My goodness. This was awful.

ABOUT THE ARTIST
TWISTEDGINGERJEWELRY.COM

Behind Every Twisted Ginger Piece

*is a story of resilience,
beauty, and transformation.*

A life-changing moment at sea led me to silversmithing. What started as healing became my calling. Nearly two decades later, I'm still self-taught, still blending the energetic power of stones with intuitive design, still turning a craft into a sacred practice.

Wear The Rainforest

Alaska's temperate rainforest shapes everything I create. Delicate leaf motifs, fairy wing designs, ever-present dewdrops. Each piece carries a little of that wildness and hands it to whoever wears it.

Some pieces I create in my nineteen-foot shipping container studio, right on the shores of Mitkof Island. Others are made at a woman-owned workshop in Bali I've worked with for years.

EVERY PIECE IS MADE BY HUMAN HANDS, NEVER MACHINES.
