MARKET MINUTE

Brought to you by Legacy Real Estate Firm - Dinah Pearson, Broker/Owner

IS THERE REALLY A "BEST TIME" TO BUY OR SELL?

When it comes to real estate, timing is everything. Or is it? While market conditions, interest rates, and the seasons may influence buying and selling decisions, the best time to make a move often has more to do with your own circumstances than the calendar.

For buyers, the right home at the right price can be worth pursuing any time of year.
For sellers, there's always potential to connect with someone looking for exactly what your property offers.
The best time to make a move is when it's right for YOU!

Whether you're ready to buy, sell, or simply explore your options, the local experts at Legacy Real Estate Firm can help you navigate Ketchikan's unique market with confidence.

Your Home. Your Future. Your Legacy.
