OCTOBER STUDENTS OF THE MONTH

KINDERGARTEN Kindergarten has chosen a student who celebrates all of her classmates in everything they do. If they finally made it across the monkey bars, she is the first to cheer and congratulate them. Thank you, Sterling, for your bright spirit!

1ST GRADE Cora Avila is a remarkable first grader who has harnessed the power of listening. She is an example of a student who is always ready to respond to the class call-and-response and generously shares that it is time to be quiet and listen to the teacher. She models daily how to be a safe, respectful learner for others to imitate.

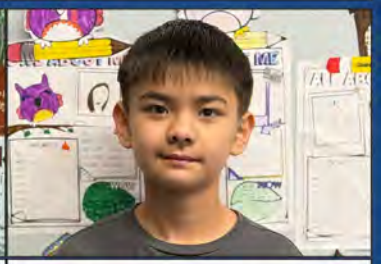

2ND GRADE Rose works hard on the tasks she is given and continues to bring a positive attitude to the classroom. She is always willing to answer questions with great insight. Thank you, Rose, for being such a respectful listener!

3RD GRADE Audria is a cheerful and friendly student who helps make the classroom a welcoming place. She helps her classmates, works hard, and is eager to learn. She brings creative ideas to her work, and her positive spirit is a joy to have in class.

4TH GRADE She listens well to her peers in order to communicate and collaborate respectfully. She encourages everyone and celebrates everyone's successes. This student takes her academics seriously and gives her best effort inside and outside of class. Congratulations, Charlee Johnson!

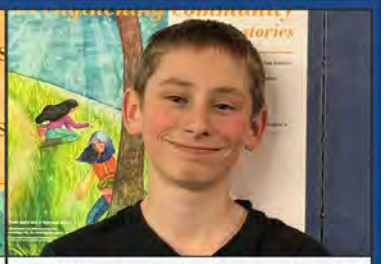

5TH GRADE Voted the best listener by their peers, this student was identified for always being focused on the lesson, helping others with their classwork, and being a good friend. Excellent job, James Kunde!

6TH GRADE Dante has a positive attitude and always puts in his best effort. He's a great friend, and he makes other students feel appreciated for who they are. Dante is always one of the first to volunteer to help if anything needs to be done in the classroom. We appreciate having him in our grade.

7TH GRADE Kain Iverson is the 7th grade student of the month for October. Kain is always ready to work in class, and he is a tremendous help to his friends. His attitude is positive, and he really cares about the well-being of others. Kain is a role model to his classmates!

8TH GRADE Chase is a thoughtful student who is always willing to lend a helping hand. He works hard on class activities and is a diligent student aide. This year, during cross country, he was a real leader on the team, always encouraging the newer runners. Thank you, Chase, for bringing your classmates and teammates together!
